Dear friends,

let me invite you behalf of the Czech Full Contact Association (ČSFu) and organizing team, to the WAKO K-1 World Grand Prix 2019, the traditional international kickboxing tournament of the World Association of kickboxing organizations (WAKO).

The tournament is held every year in the capital of the Czech republic, in the very heart of Europe, in Prague. It is my great pleasure to announce the great news! For the first time ever, the European Cup will present itself as the World Grand Prix of the WAKO Tournament series.

The best WAKO fighters from around the world will meet again on the banks of the Vltava River in one of the most beautiful city in Europe.

The WAKO is the largest kickboxing amateur association in the world with 127 member countries on 5 continents. Last year more than 220 competitors from 16 countries and 100 clubs took place in Prague. That's why I believe that this year will attract even more fighters.

Two days full of incredible struggles, emotions and desire for victory. At the end of the tournament you will find unique trophies in the form of winnings and special rewards.

All this will bring you the prestigious WAKO K-1 Grand Prix in Prague from 26th to 28th September 2019 in Prague! Come and join this amazing tournament!

Together we will make this event successful and unique again!

Ing. Michaela Kováčová  
Tournament Director

Dear friends,

we are the first and only for now, who could to use WAKO K-1 World Grand Prix status.

The WAKO World Committee declared this tournament last year as its best competition in the K-1 division and decided to raise its status from the European Cup level to the World Grand Prix.

It is my great honor to invite you to Prague again this year and enjoy the unmistakable atmosphere of this tournament.

Quality is the right word to describe this tournament. You can look forward to 3-4 rings, quality equipment, live stream, online program, catering and new winners belts with a high prize money bonus.

A quality tournament requires quality judges and believe that I have personally selected every judge with many years of experience.

Everything is ready and the organizational team is already working on every detail. There are many K-1 tournaments, but only one WAKO K-1 World Grand Prix! Like many champions, but only ones win in Prague! ONE WAKO & ONE CHAMPION!

Mgr. Jan Frána  
Czech WAKO Vice-president

**PRAGUE** is the capital and largest city of the Czech Republic and fourteenth largest city in European Union. Situated in the north-west of the country on the Vltava river, the city is home for about 1.3 million people. The city has a temperate oceanic climate with warm summers and chilly winters.

Prague has been a political, cultural, and economic centre of central Europe with waxing and waning fortunes during its 1,100 year existence. Founded during the Romanesque and rising up by the Gothic and Renaissance eras, Prague was residence of two Holy Roman Emperors and thus then also the capital of the Holy Roman Empire. It was an important city to the Habsburg Monarchy and its Austro-Hungarian Empire and after World War I became the capital of Czechoslovakia. The city played major roles in the Protestant Reformation, the Thirty Years' War and in modern history generally as the principal conurbation in Bohemia and Moravia, whose second city is Brno.

Prague is home to a number of famous cultural attractions, many of which survived the violence and destruction of twentieth century Europe. Main attractions include the following: Prague Castle, the Charles Bridge, Old Town Square, the Jewish Quarter, Petřín hill and many others. Since 1992, the extensive historic centre of Prague has been included in the UNESCO list of World Heritage Cities.

Prague boasts more than ten major museums, along with countless theatres, galleries, cinemas, and other historical exhibits. A modern public transportation system connects the city. Also, Prague is home to a wide range of public and private schools, including the famous Charles University. Prague is classified as a Beta+ global city according to GaWC studies, comparable to Berlin, Rome and Houston. Its rich history makes it a popular tourist destination, and the city receives more than 4.1 million international visitors annually, as of 2009. In 2011, Prague was the sixth most visited city in Europe.
